

Application Serial No. 10/573,229 - - - - - 4
(National Stage of PCT/EP04/10697)

Date: January 16, 2007

REMARKS

A replacement paper copy of the Sequence Listing has been submitted in this application, along with a Computer Readable Form of the Sequence Listing as requested in the Notice of Missing Requirements (371 Formalities Notice) dated November 7, 2006.

The specification has been amended to enter the replacement sequence listing.

No new matter is added by this amendment.

An early action on the merits is solicited.

Respectfully submitted,

Dated:
